

Raglan Road

Text: P. Kavanagh; Melodie: Traditional

On Rag - lan Road on an au - tumn day, I
saw her first and new. That
her dark hair would weave a snare, that
I may one day rue. I
saw the dan - ger, yet I walked a - long the en
chant - ed way. And I said let grief be a
fall - ing leaf at the dawn - ing of the day.
